

Enfusselle® Acne Clarifying Complex™

Gentle enough to use every day, patent-pending Acne Clarifying Complex is a unique 4-in-1 formula that blends botanicals and skin-nourishing antioxidants to treat and help prevent acne.

PROBLEM:

Nearly 100% of all adolescents experience some form of acne during the teenage years, and it's estimated that as many as half of all adults ages 20-40 suffer from this persistent condition. Acne is a dermatological condition that has its roots in genetics, but is also dependent upon a complex interplay of other factors. In brief, the cycle of acne starts when excess oil and dead skin cells clog hair follicles (pores). This creates an environment in which bacteria such as *P. acnes* (*Propionibacterium acnes*) and free radicals degrade sebum and aggravate skin tissues, leading to the blemishes, redness and irritation associated with acne. Many over-the-counter acne products attack acne blemishes with harsh active ingredients such as benzoyl peroxide which can excessively irritate sensitive and adult skin. Eighty percent of all women are unhappy with the acne treatment they use and are searching for a solution.

SOLUTION:

This clinically proven formula provides maximum strength effectiveness in fighting acne in a gentle formula that isn't over-drying. What's more, the botanicals and antioxidants in Acne Clarifying Complex work both individually and together to help prevent the development of new acne blemishes.

BENEFITS:

- Naturally and gently reduces excess oiliness and encourages natural skin cell turnover to help prevent clogged pores without irritation.
- Speeds healing of blemishes; reduces redness caused by acne.
- Provides nourishing antioxidant protection for skin that is visibly smooth, clearer, and shine-free.

WHO MIGHT BENEFIT FROM ACNE CLARIFYING COMPLEX?

- Nearly 100% of all teens will experience breakouts and are looking to clear up pimples fast and help prevent new pimples from forming.
- 40-50% of all adults have acne problems and are looking for an effective blemish medication gentle enough to meet the needs of adult skin.
- People who want a gentle and effective "spot treatment" for occasional acne breakouts.

WHAT ARE THE KEY INGREDIENTS IN ACNE CLARIFYING COMPLEX?

- Vitamin B6 and Zinc Gluconate help reduce excess oiliness.
- Salicylic Acid (active ingredient) penetrates pores to help clear up existing whiteheads, blackheads, and pimples and help prevent the development of new acne blemishes.
- Manuka Oil and Tea Tree Oil help prevent clogged pores without irritation.
- Targeted botanicals (extracts of licorice, burdock, and watercress) support the skin's natural ability to remain free of harmful microflora to speed healing and reduce redness caused by acne.
- Vitamins A and E provide skin-nourishing antioxidant protection.

WHY CHOOSE ENFUSELLE ACNE CLARIFYING COMPLEX?

- Breakthrough patent-pending formula.
- Gentle enough to use everyday for maximum acne control.
- Helps treat and prevent acne.
- Helps control shine.
- Clear, invisible lotion won't interfere with makeup.
- Softens skin with vitamin E.
- 100% free of occlusive oils.
- 100% fragrance and dye free.
- Allergy tested.
- Clinically formulated.
- Dermatologist tested.
- Not tested on animals.

Drug Facts	
Active ingredient	Purpose
Salicylic acid (0.5%)	Acne treatment
Uses	
For the treatment of acne.	
Warnings	
■ For external use only.	
■ When using this product, keep out of eyes. Rinse with water to remove.	
■ Using other topical acne medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.	
■ Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.	
Directions	
■ Cleanse the skin thoroughly before applying medication.	
■ Cover the entire affected area with a thin layer one to three times daily.	
■ Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a physician.	
■ If bothersome dryness or peeling occurs, reduce the application to once a day or every other day.	
Inactive ingredients	
Water, SD Alcohol 40-B, Cyclode xtrin (and) Melaleuca Alternifolia (Tea Tree) Leaf Oil, Polysorbate 20, Xanthan Gum, Triethanolamine, Zinc Gluconate, Sodium Coco PG-Dimonium Chloride Phosphate, Galactoarabinan, Tocopheryl Acetate (Vitamin E), Leptospermum Scoparium Oil, Dipotassium Glycyrrhizate, Panthenol (Pro-Vitamin B5), Cetearyl Ethylhexanoate, Titanium Dioxide, Disodium EDTA, Aloe Barbadensis Leaf Juice, Butylene Glycol (and) Water (and) Nasturtium Officinale Extract, Butylene Glycol (and) Water (and) Arctium Lappa Root Extract, Pyridoxine Hydrochloride (Vitamin B6), Retinyl Palmitate (Vitamin A)	

Acne Clarifying Complex™

1 fl oz – All Skins
#32521

HOW SHOULD ACNE CLARIFYING COMPLEX BE USED?

TEENS

Most teens have oily skin that is also troubled by acne breakouts. The key to treatment: dry up the acne blemishes, help control oiliness, and gently encourage natural skin cell turnover. Then protect the skin against moisture-loss and free radical attacks that can lead to prematurely older looking skin all too soon!

Recommended Enfuselle products:

Morning:

Purifying Cleansing Gel
Purifying Toner
Acne Clarifying Complex™
Time Repair A.M.® SPF 15
(use only on unaffected skin until blemishes clear)

Evening:

Purifying Cleansing Gel
Mineral Masque *(2 to 3 times per week)*
Purifying Toner
Acne Clarifying Complex
Balancing Moisturizer

ADULTS

After the teen years, having acne blemishes doesn't necessarily mean you have oily skin. In fact, if your acne troubled skin feels tight or dry after washing, or if you experience dry patches (on your cheeks, for example), then it is important to properly meet your dry skin's needs as well as your acne concerns! The key to treatment: Encourage your skin to regain a normal, healthy oil/moisture balance, address your acne blemishes as gently as possible, then protect against environmental damage to retain your youthful appearance longer! To help determine your skin type, visit www.enfuselle.com and take the skin test.

Recommended Enfuselle products:

Normal to Oily Skin

Morning:

Purifying Cleansing Gel
Purifying Toner
Eye Treatment
Acne Clarifying Complex
